

FEDSAS MARKETING/ADVERTISING OFFER

FEDSAS is the national representative organisation for school governing bodies that informs, organises, mobilises and equips its members to maintain and further improve on the highest internationally recognised education standards in public schools. Currently, FEDSAS has over 1 000 member schools, and is the only governing body organisation with representation in each of the country's nine provinces.

FEDSAS is offering the following marketing opportunity for your business and business products for a one-off amount of R15 000:

1. A one-off special electronic newsletter about your services and products: two A4 pages in English and Afrikaans
2. Four short advertisements in our monthly newsletter: 800 x 1 500 mm
3. Six months' exposure on our webpage, with a link to your website

We require a fully bilingual introduction document, with all your contact details, your web address and logo.

We reserve the right only to publish advertisements of products and services that we consider to be in keeping with our vision and mission.

FEDSAS member schools will get a 25% discount on advertisements.
